

Dear delegates, dear left-handed golfers ...

I hope you are keeping well.

As of today, we are reopening the website for the registration to the 27th edition of the World Championship for left-handed golfers.

After the postponements of 2020 and 2021, we organize this event for this year 2022. Everything is ready: 4 superb Parisian courses are waiting for us, the headquarters in the center of Paris will allow all the participants to take advantage of our beautiful town, proposals of complementary excursions are also made to you.

However, we will be obliged to respect the sanitary instructions and obligations imposed in France, namely the vaccination obligation for all players. I think that this obligation is the same to be able to travel. The month of August in France is generally quite warm, so it does not favor the spread of the virus, and strongly limits the risks. The situation in France is improving rapidly, things are getting better little by little, and allow us to be very confident for this summer. I hope many of you will come to participate in this edition, the first for the French delegation. We have encountered a lot of difficulties, but we are sure today of the quality of the edition that we propose to you.

Each participant can now fill in his registration form online:

[www.walgparis2022.promogolf.org](http://www.walgparis2022.promogolf.org)

From this site you can also book your accommodation at the competition hotel. For the participants already registered and paid in 2020, I thank you

to fill again the form, we will of course take into account the totality of your payment 2020 for the balance of your invoice.

I am looking forward to seeing you in Paris, delighted to be able to meet you again and share these good moments of golf and conviviality.

Hope to see you in Paris

Dominique LACAN

NALG France
