

Dear left-handed golfers ... dear participants,

The global outbreak of COVID19 added to its international economic impact has lead us to suspend the organization of the 27th edition of the WALG (World Association of Left Handed Golfers) scheduled in Paris from the 17th to the 20th of August.

In agreement with the WALG, we made the decision to postpone the event to 2021. This 27th edition is postponed and not cancelled and shall be played in Paris Mid-August 2021, subject to the availability of golf courses.

The French association and the organizing committee of the competition are really sorry about this, but in this context of the exceptional current public health situation, we have no other options.

Our French association has already invested an important part of the event budget. In this respect, in agreement with the WALG, your registration and its payment for this year will be secured for the 2021 edition. All of the planned services will be maintained in 2021, both for the competition and the side events included.

Should you request a refund for you 2020 registration, a cancellation fee of 8% will be applied on each registration (excluding bank fees and exchange fees).

The refund of your 2020 registration will be made by check to the French participants and by bank transfer for the international players (please attach your bank account details to your refund request email).

The cancellation of your room booked at the MERDIEN hotel will be done automatically and you will receive an individual confirmation email of this cancellation.

In addition to the support of the WALG, we are following the recommendation of the French Golf Federation in order to project us towards a successful 2021 edition of this World Championship.

This decision is effective from today, and we thank you in advance for your understanding and support.

Take care of yourself and your loved ones all over the world and we look forward to meeting you in 2021 with great pleasure.

ST JEAN, 09/04/2020

Dominique LACAN

Pdt - NALG France and Committee Organisation
